## FIND YOUR AUTHORIZED CONTRACTOR TODAY

Our goal is to provide you with quality paver & wall products for your project. We understand that it's a large investment. If you need help with finding the right contractor for your project, we can help. Our goal is to recommend qualified, knowledgeable, certified hardscape contractors. The hardscape contractors found on our Keystone Hardscapes Authorized Contractor list have shown a proven knowledge on the basics of paver and retaining wall construction and installation. Each company listed has at least one individual on staff that has attended our one-day training course and passed our Authorized Exam.

While we try our best to recommend qualified contractors for your project, Keystone Hardscapes does not guarantee the workmanship of the installer. Please ask your selected contractor for references and about any warranty or guarantees they might provide on workmanship.

Simply scan the code to connect with a contractor in your area

### FOLLOW THESE STEPS TO SELECT THE IDEAL CONTRACTOR TO BRING YOUR PROJECT TO LIFE.

#### STEP ONE

It's always a good idea to interview several contractors and find the best match for your project and personality. Make sure you have a good rapport with the person and communicate your wants and needs.

#### STEP TWO

Once you decide on the work you want to complete, confirm that the contractor has experience by asking for photos, references, or examples of other projects they have completed to make sure you feel confident with their quality of work.

**Make sure to ask if they are an Keystone Hardscapes Authorized Contractor.**

#### STEP THREE

Once you award the project to a specific contractor, obtain a written contract of the work to be performed. Make sure you understand the scope of your project and if changes could result in additional costs.

#### STEP FOUR

Once your project is complete, we would love to see the finished product! Photos can be submitted to [photos@keystonehardscapes.com](mailto:photos@keystonehardscapes.com). Photos may be used in social media or future catalog publications.

#### UTILIZE OUR NETWORK OF AUTHORIZED CONTRACTORS TO BUILD YOUR HAPPY PLACE

We have a valued distributor network who are knowledgeable about our products and have our products on display. We take great pride in providing in-depth regional training programs for contractors to become Authorized Keystone Hardscapes Contractors.
