# MAKE PINE YOUR PARTNER

## ANY PROJECT

Pine serves all markets, including:

- Commercial
- Residential
- Industrial
- Property Management
- New Construction
- Architectural Designs
- Municipal Contracts
- Specifiers

## ANY MATERIAL

Pine can secure and deliver any type of landscape product, including specialty items not stocked or found locally. As your partner, we collaborate with our vast network of suppliers and shipping resources across the country to locate any landscape materials that your project requires in a timely manner.

## ANY AMOUNT

No project is too big or too small to have delivered to your jobsite. We coordinate products for direct ship orders, bulk deliveries, and mixed loads. Pine Landscape offers unique product delivery with the use of Bullseye Bins, bulk bags, and palletized product placement. Placing your order right where you need it saves you time and money.

# SAVING YOU TIME, MONEY, & EFFORT

**DELIVERY** - You'll benefit from discounts on our professional and precise delivery service that puts products right where you need them on the jobsite or at your facility using Bullseye Bins, bulk bags, and palletized product placement.

**FAST PASS CHECKOUT** - Call or text ahead to let us know you're coming and what you need. You can either browse the lot when you arrive, or we will have your product prepped and ready for you. Skip the checkout line and get back to the jobsite.

**CUSTOMER CONCIERGE** - Think of us as part of your team. Send your customer to the yard, and we'll show them the products available so they can choose colors, styles, price-points, and all other details.

**ACCOUNT REPRESENTATIVE** - You'll have a single Pine point of contact always available to you and working on your behalf. They'll know all the details of your needs and projects so coordination will be easy.

**ONLINE REFERRALS** - Your business will be part of our online directory of trusted companies. Personal referrals are the most relied upon source for customers and we always make recommendations on our knowledge of their project and your business.
