KIC15492CBR Recessed Niche Light, Louvered Lens Cover, uses MR-8 lamp

KIC15491CBR Recessed Niche Light, Cowl Cover, uses MR-8 Lamp

DOME PATH LIGHT

- 4 watt, 3000k warm white
- AZT architectural bronze, 22" height x 8.25" diameter

KIC15820AZT30R

INTEGRATED LED HARDSCAPE

- Adjustable fixture can pivot 180° for direct to surface install and pivot 270° when installed with bracket

KIC16100 3" length, 1 LED, 0.25 watts

KIC16101 6" length, 3 LED, 0.75 watts

KIC16102 12" length, 6 LED, 1.5 watts

KIC16103 18" length, 9 LED, 2.5 watts

Additional products and options are available. Contact your REAMS representative for more information.

FX Luminaire®

NP ACCENT LIGHT

- Die-cast aluminum
- Available in 3LED, 6LED, 9LED and dim / color

DE DOWNLIGHT

- Create both ambiance and function, and mimic the effects of natural moonlight.
- Available in 3LED, 6LED, 9LED and dim / color

PB WALL WASH

- Die-cast aluminum or brass
- Available in 1LED or 3LED and dim / color

RS ACCENT LIGHT

- Die-cast aluminum
- Interchange lamps to create custom effects

LC WALL WASH

- Largest wall-wash up light
- Projects a broad spectrum of light
- Available in 1, 3, 6 and 9 LED

LUXOR CONTROL CENTER

- 150 watt or 300 watt
- Offers lighting control with zoning, dimming, and RGBW color creation capabilities, plus optional Wi-Fi control using Luxor® technology

TM PATH LIGHT

- Aluminum
- 5" diameter, 15" height
- Available in 1LED, 3LED and dim / color

LUXOR CUBE MODULE

With the Luxor CUBE, the Luxor controller can now zone and dim other brands of low voltage fixtures.

PL PATH LIGHT

- Aluminum
- 6" diameter, 15" height
- Available in 1LED, 3LED and dim / color

EX TRANSFORMER

150 watt economical, low-wattage power and control option for LED lighting projects

LF HARDSCAPE LIGHT

- LED under-the-cap hardscape wall light
- Available in 1LED and dim / color

DX TRANSFORMER

The only digital facepack-controlled transformer with astronomical timing and event-based programming capabilities pre-installed, so there is no need for plug-in accessories such as timers and photocells. Available in 150 or 300 watt.

Additional products and options are available. Contact your REAMS representative for more information.

ICON UP LIGHT

- Drop-in MR16 Lamp
- Available in 2, 3, 4, 5, 6, or 7 watts
- Cast Brass / Weathered Brass finish

DAU490001

DELANO WELL LIGHT

- Drop-in MR16 Lamp
- Available in 2, 3, 4, 5, 6, or 7 watts
- Cast Brass / Weathered Brass finish

DAU490065

MIGHTY MIGHT UP LIGHT

- Drop-in MR16 Lamp
- Available in 2, 3, 4, 5, 6, or 7 watts
- Spun Brass / Weathered Brass finish

DAU490003

TIMBERLINE HARDSCAPE LIGHT

- Integrated LED Fixture
- Available in 4 Watts
- Cast Brass / Weathered Brass finish

DAU490082

LED MINI FLOOD

- Integrated LED Fixture
- Available in 4, 7, 12, 20 or 40 watts
- Dark bronze cast aluminum housing

DAU490690

CATALINA STEP LIGHT

- Integrated LED Fixture
- Available in 4 Watts
- Cast Brass / Weathered Brass finish

DAU489929

ZEN PATH LIGHT

- Drop-in Bi-pin Lamp
- Available in 2 or 3 watts
- Cast Brass / Weathered Brass finish

DAU490020

LED LAMPS

Dauer offers a full line of lamps ranging in wattage and lamp size.

SOLARA WELL LIGHT

- Drop-in MR16 Lamp
- Available in 2, 3, 4, 5, 6, or 7 watts
- Cast Brass / Weathered Brass finish

DAU490066

SILHOUETTE BOLLARDS

Precision-formed Silhouette Collection of decorative bollards are made from the finest architectural-grade aluminum alloy, for remarkable strength and resistance to corrosion.

UNIQUE LIGHTING SYSTEMS®

PROBE UP LIGHT

- Ideal when up lighting is challenged by a small installation area
- 8W max. LED lamp / 35W max. halogen

GAMMA RAY UP LIGHT

- Proprietary E-Shield™ process provides 5 distinct layers of protection against corrosion
- 8W max. LED lamp / 35W max. halogen

LANCER 4 PATH LIGHT

- Solid brass construction
- 2W max. LED lamp / 20W max. halogen

ISO STEP LIGHT

- Now "serviceable", allowing for trouble-free light engine replacement
- 2 lumen options (40 and 140 lumen models) in both 2700K and 3000K color

VANGUARD 5 RECESSED STEP LIGHT

- Extendable mounting plate secures the fixture while still allowing face plate adjustments

GEMINI PUCK LIGHT

- 2W max. LED lamp / 20W max. halogen

STELLAR WALL WASHER

- 2W max. LED lamp / 20W max. halogen

FISSION PATH LIGHT

- Die-cast brass construction
- 2W max. LED lamp / 20W max. halogen

UNIFISSL127WB

F100 WELL LIGHT

- 13W max. LED lamp / 50W max. halogen

UNIF100NL

SMRT LOGIC CONTROL

- Install onto any 120V device for wireless operation using SMRTscape. Receives operating commands from LPLUS Internet gateway

UNILPCUA

NEUTRON PATH LIGHT

- Bronze finish
- 2W max. LED lamp / 20W max. halogen

NUCLEUS UP LIGHT

- Proprietary E-Shield™ process provides 5 distinct layers of protection against corrosion
- 20° - 40° - 60° Beam Spread

POSITRON UP LIGHT

- 8W max. LED lamp / 35W max. halogen
- 20° - 40° - 60° Beam Spread

PROTON PATH LIGHT

- Proprietary E-Shield™ process provides 5 distinct layers of protection against corrosion

Making Seasons Bright!

Holiday decorating is one of the fastest growing professional services offered by irrigation contractors according to several national trade publications. Demographic trends like an aging population, two-income career families and a desire for a hassle-free lifestyle have driven the demand for professional decorating services at residential, commercial and institutional sites. We offer high quality, contractor grade lights, displays, greenery and accessories. What better way to add some additional revenue to your late Autumn and early Winter?

LED BULBS & CUSTOM CUT WIRE

Install them with custom cuttable wire and your customer will be thrilled with their custom holiday design.

LED MINI STRANDS

LED Christmas light sets are the most popular light product on the market and we carry all the sizes and shapes you need.

PRE-LIT GREENERY

We offer many different varieties of sizes and styles for wreaths, garland, and teardrops. We also offer un-lit greenery if needed.

LED LIGHT LINKS

Light Links will give any roofline an elegant holiday look. Each Light Link has a four foot length, which makes them perfect for connecting end to end for easy decorating.

LED STARBURSTS

Create a unique design for your customers by offering LED starbursts, available in many different colors and sizes.

TWINKLY PRO

Twinkly comprises of smart multi & classic addressable colors LEDs connected via mobile & cloud App. This creates a professional light decoration solution with utmost simplicity & no SW and HW barriers.

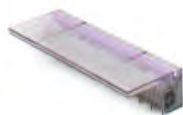

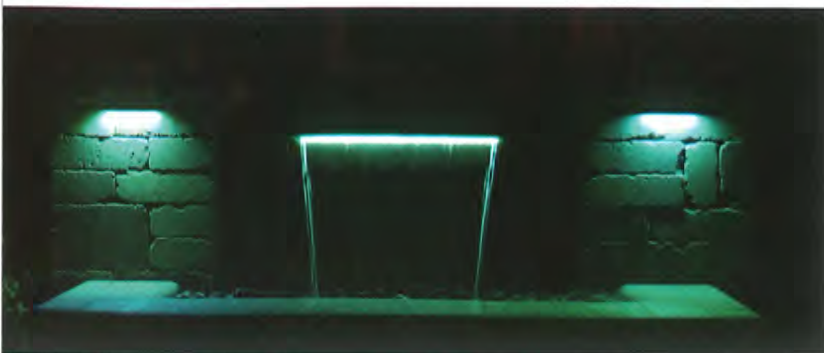

Additional products and options are available. Contact your REAMS representative for more information.

OUTDOOR LIVING

*Water Gardening, Fountains and
Aerators, Outdoor Speakers, Outdoor
Fire Features*

Outdoor living continues to gain popularity in the landscape industry as people continue to spend more time at home and on “staycations”. There are lots of ways to help your customers upgrade their outdoor living areas including water gardens, outdoor kitchens and more. We are committed to providing you the highest quality products and will help make sure you provide the highest quality installation.

COLOR CHANGING FALLS

Illuminated waterfalls are the most versatile way to add light and water to your landscape or hardscape.

- Designed to install easily in any wall, indoors or out, whether stone, brick, block, stucco, tile or wood
- Generous weir openings resist clogging and create a thicker, fuller sheer for extra color and less wind deflection

- AWGCC06** 6" width
- AWGCC12** 12" width
- AWGCC24** 24" width
- AWGCC36** 36" width

BASIN KIT FOR COLORFALLS

- Provides everything you need to install Colorfalls, WaterWalls and Spillways
- Includes basin, Splash Mat, pump, plumbing, PVC glue, adjustment valve and Auto Fill, all in one box

- AWGCFBASINKIT12** Contains TW2400 pump & works with the CC06 and CC12 color changing falls
- AWGCFBASINKIT24** Contains TW2400 pump and works with the CC24 color changing falls
- AWGCFBASINKIT36** Contains TW3700 pump and works with the CC36 color changing falls

PS4600 SKIMMER

- 6" weir width; 4,000 gph pump flow rate

PS7000 SKIMMER

- 9" weir width; 7,000 gph pump flow rate

BF2600 FILTER FALLS

- 26" spillway; 4,000 to 6,000 gph pump flow rate

BF3800 FILTER FALLS

- 38" spillway; 6,000 to 8,000 gph pump flow rate

SP1900 FAST FALLS

- 20.5" x 17" x 10.25"; 19" waterfall width; 4,000 gph pump flow rate

SP2600 FAST FALLS

- 27.5" x 17" x 10.25"; 26" waterfall width; 6,000 gph pump flow rate

PV1800 PUMP BASIN

- 18" x 24"; 10,000 gph pump flow rate

PV18EXT EXTENSION FOR PUMP BASIN

- 6" weir width; 4,000 gph pump flow rate

PV2300 PUMP BASIN

- 23" x 30"; 15,000 gph pump flow rate

Additional products and options are available. Contact your REAMS representative for more information.

- AWGLI2020B** 20'x20' boxed liner
- AWGLI2025B** 20'x25' boxed liner

POND NETTING

Netting keeps out leaves and other wind blown debris for a clean pond in the fall and spring

- AWGPN1015** 10'x15'
- AWGPN1520** 15'x20'
- AWGPN2030** 20'x30'

ROLLED POND LINER

- AWGLIR1050** 10'x50'
- AWGLIR2050** 20'x50'

FLEXIBLE PVC PIPE

- AWGFH1525** 1.5"x25' PVC Black Flex Pipe
- AWGFH225** 2"x25' PVC Black Flex Pipe
- AWGFH250** 2"x50' PVC Black Flex Pipe
- AWGFH350** 3"x50' PVC Black Flex Pipe

TR3WAY THREE WAY DIVERTER

- Manifold for using hoses; For use with FB4600

KINK FREE PIPE

- AWGKF75100** 3/4"x100' PVC Kink-Free Tubing

FBKIT3 FOUNTAIN BASIN KIT

- For use with TW1200-2400 and MD1000 & 2000 pumps. Contains 3 way diverter

GARDEN & POND LED LIGHTING

Atlantic Lighting products are all fully compatible with current and previous generations

- AWGWWCS2** 2-watt spotlight
- AWGWWCS4** 4-watt spotlight
- AWGWWFL2** 2-watt fountain light
- AWGWWRL5** 5-watt fountain light

FBKIT1 FOUNTAIN BASIN KIT

- For use with TW250-750 and FP200-500

PD300 POND DE-ICER

Allows oxygen to diffuse into pond water otherwise sealed off by ice, while toxic carbon dioxide and methane from decomposing organics diffuse out. Efficient heating element only draws 300 watts.

Additional products and options are available. Contact your REAMS representative for more information.

VARIABLE SPEED PUMP CONTROLLER

TWVSC For use with TT-Series Pumps up to 800 watts; includes 2.4Hz Remote Control

AF1000 WATER FILL VALVE

Maintains a consistent water level in all Atlantic Skimmers, Pump Vaults, Colorfalls and Fountain Basins

LF1100 FALLSFOAM

12oz. can DIY Black Waterfall Foam with applicator straw

LF1310 PRO FOAM GUN

LF1300 FALLS FOAM

29oz. can Professional Black Waterfall Foam

LF1315 PRO FOAM GUN

Professional Foam Gun (composite, for use with 29 oz. cans)

TT SERIES PUMPS

Asynchronous pumps combine the efficiency of Magnetic Induction with the power of Direct Drive geometry, keeping operating and ownership costs to a minimum. Pumps more water for less watts regardless of water chemistry. Compact design fits the tightest pump chambers. Excellent resistance to fouling.

- AWGTT2000** Max pump flow: 2,640 gph
- AWGTT3000** Max pump flow: 3,000 gph
- AWGTT4000** Max pump flow: 4,490 gph
- AWGTT5000** Max pump flow: 5,150 gph
- AWGTT6000** Max pump flow: 6,600 gph
- AWGTT7500** Max pump flow: 7,650 gph
- AWGTT9000** Max pump flow: 8,800 gph

A-SERIES PUMPS

A-Series Direct Drive pumps are built for the highest head, high volume applications, to tackle the longest runs and tallest falls

- AWG73894** 1HP Pump, 2" FIPT
- AWG73894** 1HP Pump, 3" FIPT

PONDLESS WATERFALL VAULT

The ideal pump vault for use in Pondless® Waterfalls, rainwater harvesting systems, and more

AQS49000

WATERFALL SPILLWAY

The AquaScape Waterfall Spillway makes it easy to create a waterfall or stream, providing smooth, consistent, leak-free water flow.

- AQS77023** 12" Spillway
- AQS77000** 22" Spillway

AQUABASIN®

The ideal water basin for a wide variety of decorative water features, including stone, brass, ceramic, and resin fountains.

- AQS78223** 30" AquaBasin®
- AQS78224** 45" AquaBasin®

AQUABLOX® WATER STORAGE MODULES

The AquaBlox® Module displaces water for use with Pondless Waterfall reservoirs, rainwater collection projects, and other various water feature applications.

- AQS29491** Small - 17 gallon volume
- AQS29492** Large - 32 gallon volume

Additional products and options are available. Contact your REAMS representative for more information.

AQUASURGEPRO PUMPS

Adjustable flow pump, flow adjusts by remote control

AQS45009 - 2000-4000 Operates best at 5 to 11 feet of head, yields 2000-4000 gph

AQS45010 - 4000-8000 Operates best at 8 to 16 feet of head, yields 4000-8000 gph

AQUASURGE® PUMPS

AQS91017 AquaSurge 2000 - for 2,000 gal pond

WATER GARDENING

No need to stress over water quality or clarity issues when you use our comprehensive line of easy-to-use water treatments and products for ponds, waterfalls, and fountains. Aquascape has a variety of options to naturally and efficiently balance ponds, waterfalls, or fountains. Select from Simple Solutions, Beneficial Bacteria, Problem Solving, Algae Fighting, Fountain Treatments, and Lake and Large Pond Treatments.

SIMPLE SOLUTIONS

Aquascape Simple Solutions water treatments are the easy way to keep water features clean, clear, and healthy. Tackle most water quality and clarity issues with easy-to-use water treatments and products.

BENEFICIAL BACTERIA

Beneficial Bacteria supports your pond's nitrogen cycle by effectively reducing fish waste, organic plant material, sludge, and excess nutrients.

PROBLEM SOLVING

Aquascape's line of problem-solving products allows you to select the correct water treatment application for your particular need, from clearing debris to cooling pond water and more.

WATER CONDITIONING

Balance your water in an eco-friendly way with water treatments designed to efficiently combat water quality issues, leaving your pond healthy and beautiful.

SLUDGE FIGHTING

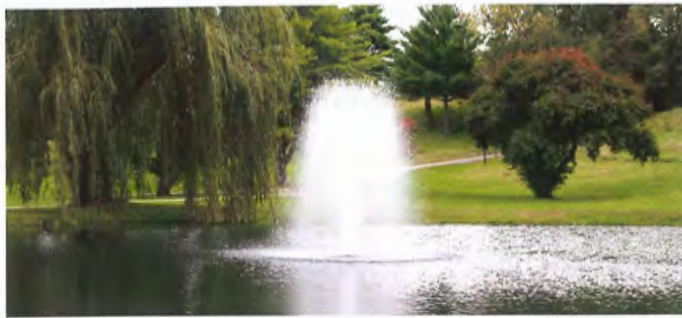

Eliminate and prevent unsightly pond sludge with our easy-to-use sludge fighting water treatments.

FOUNTAIN TREATMENTS

Enjoy a beautiful fountain year-round with our convenient line of water treatments specifically designed for a variety of fountains.

Additional products and options are available. Contact your REAMS representative for more information.

J SERIES DECORATIVE FOUNTAINS

Kasco J Series Decorative Fountains give you the versatility, performance, and reliability you need. Ranging from 1/2HP to 7.5HP, there is a Kasco J Series Fountain perfect for any size pond or lake. Their corrosion and clog resistant technology offers reliability that is unparalleled by any other outdoor fountain brand. All J Series Fountains come with multiple nozzles that deliver elegant spray patterns.

VFX SERIES AERATING FOUNTAINS

Kasco VFX Series Aerating Fountains set the standard by which all aerating pond fountains are measured. These units deliver both superior oxygenation and aesthetic brilliance, making this a true dual-purpose fountain. As the leader in pond aeration, Kasco's VFX aerating fountains have been designed with their clog-resistant technology to ensure you are buying the most efficient unit on the market. Use the VFX Series in your pond, on the lake, in a landscaped water body, or even in industrial applications to help promote evaporation.

SUBSURFACE AERATION

Subsurface aeration can reduce pond muck, improve water quality, boost dissolved oxygen, eliminates thermocline and helps protect fish in a pond. Aeration circulates and mixes water to eliminate stratified layers of warmer, surface water and the colder, deeper water, to create an oxygen rich environment throughout your pond.

POND DYE

Shade and protect your pond from powerful UV rays, while enhancing natural color and beauty with pond dye colorant. Airmax offers 4 shades: Nature's Blue, Aqua Blue, Twilight Blue, and Black DyeMond

- Available in liquids, packets, and bacteria enhanced.

LED LIGHT KITS

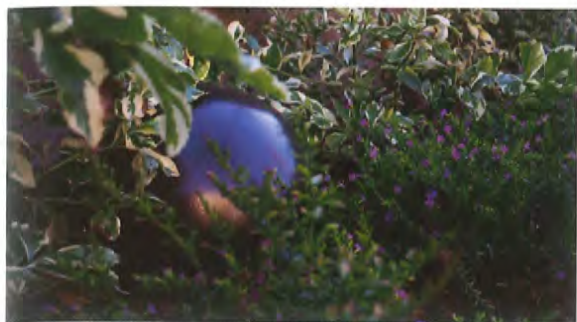

Add optional LED lighting for beautiful night effects. Low energy cost. Choice of colored lenses.

Additional products and options are available. Contact your REAMS representative for more information.

SONANCE BEYOND SOUND

PATIO SERIES 4.1 SPEAKER SYSTEM

Sonance offers a complete outdoor landscape sound system with flexibility for configurations of four satellite speakers and one subwoofer or up to 8 satellite speakers and two subwoofers.

- Perfectly even coverage for comfortable listening in areas up to 1,000 square feet and up to 2,500 square feet.
- Compatible with Sonance 19" stake, tree mount, and surface mount accessories
- Complete 4.1 System configuration on a single two-channel amplifier
- Expandable for up to 8.2 configuration
- 8 Ohms impedance matched system, dual voice coil subwoofer

KIT INCLUDES:

- 4 Satellite Speakers
- 1 in-ground subwoofer
- 1 Sonance DSP amplifier

**PROFESSIONAL
OUTDOOR LIGHTING**

SOUND BY VISTA

Vista offers a complete outdoor landscape sound system with flexibility for configurations of four satellite speakers and one subwoofer or up to 6 satellite speakers and one subwoofers.

- Wi-Fi and Bluetooth amplifier which offers native streaming and integrates seamlessly with many smart home devices
- Superior UV resistance withstanding temps from -15° to 160°F
- 10" Dual VC Subwoofer

KIT INCLUDES:

- 4 Satellite Speakers
- 1 in-ground subwoofer
- 1 Wi-fi and Bluetooth Amplifier & enclosure

OUTDOOR FIRE FEATURES

REAMS offers three different brands of top-of-the-line fire feature options: Warming Trends, Firegear Outdoors, and Breco fire pits. All three of these brands offer innovative products designed to take outdoor living to the next level.

These products give you the ability to fully customize fire pits and fire features for your customers or offer out of the box options which are easy to install.

WARMING TRENDS

READY-TO-FINISH KITS

Aluminum frames covered with concrete board, ready to be easily and quickly completed with your choice of media or veneer.

BURNERS

Made from corrosion resistant and sustainable brass, CROSSFIRE™ Brass Burners will not rust and come with a lifetime warranty.

UNIVERSAL PAVING KITS

Warming Trends Universal Paver kits include everything needed to complete your paver fire pit. They are specifically designed to work with a variety of name brand paver block kits.

Build your own fire pits with Firegear Outdoor products. They offer burner systems, outdoor fireplaces, ignition systems, fire furnishings and more!

BRECO

SMOKELESS FIRE PITS - X SERIES

Complete with smokeless technology, these fire pits are perfect for grilling and are made in the USA.

SMOKELESS FIRE PITS - LUXEVE

Take outdoor patios to a new level with the sophisticated Luxeve Smokeless Fire Pit.

LANDSCAPE PRODUCTS

*Hardscapes and Pavers, Zero-Turn
Sprayer-Spreader Machines, Artificial
Turf, Drainage, Contractor Tools,
Landscape Necessities, Edging and
Landscape Fabric, Agronomics*

REAMS is equipped with supplies to help you complete all your landscaping jobs. Whether it's tools, drainage, or more - we are committed to ensuring a successful installation or application. Our knowledgeable sales staff is sure to provide the best service around.

HARDSCAPES AND PAVERS

UNILOCK[®] DESIGNED TO CONNECT.

It all started when their founder brought a revolutionary new paving method to North America, called the Uni-Stone. Since then, Unilock has continued to excel in technology.

With technologies like EasyClean™ Stain Resistance, Reala™ Technology, Ultima™ Concrete Technology and ColorFusion™ Technology, Unilock has remained the style and technology leader.

REALA™

A multitude of natural stone surfaces, brick and historic cobblestones were cast to create Unilock products utilizing Reala technology. The result is a wide variety of authentic textures with consistent dimensions which are more cost efficient to install.

ULTIMA™

Only Unilock has the technology to manufacture Ultima concrete here in North America, results in pavers and walls with up to four times the strength of poured concrete. The look you purchase is the look that will last.

COLORFUSION™

Color and granite particles are randomly dispersed using proprietary ColorFusion technology to achieve a unique mottled surface that resembles natural granite.

EASYCLEAN™

Unlike after-market sealer which merely coat the top, EasyClean goes beyond the surface and becomes integral to the product during manufacturing. The result is enhanced surface color and protection from stains.

Additional products and options are available. Contact your REAMS representative for more information.

BELGARD® | PAVES THE WAY™

Belgard has been producing high quality products since 1995 and is committed to continuing to provide the best product possible.

Each year they commit 20,000 hours in research and development perfecting new products and staying aligned with design trends.

PAVERS

Paver types include contemporary modular, traditional cobble & brick, and options with the look & texture of natural stone patio. Each Belgard paver offers multiple laying patterns, giving you design flexibility.

PERMEABLE PAVERS

Permeable pavers, also known as permeable interlocking concrete pavements (PICP), are installed with layers of stone or aggregate underneath that filter and direct stormwater to underground aquifers.

PORCELAIN PAVERS

Outdoor porcelain pavers are frost-resistant, skid-resistant, durable and easy to clean. These are available in several styles to create contemporary outdoor living spaces.

WALLS

As beautiful as they are functional, retaining wall systems take your style to new levels of interest and refinement. These are strong and durable, and best of all - easy to install.

OUTDOOR KITCHENS & FIREPLACES

Pre-built components for outdoor kitchens and living rooms allow for simple installation yet come in an array of appealing styles and sizes.

FIRE PIT KITS

Fire pits are one of the top must-haves in outdoor living design. Belgard offers both contemporary and classic styles of fire pit kits to complement the architectural look of any home.

Additional products and options are available. Contact your REAMS representative for more information.

STEEL GREEN MANUFACTURING

STEELGREEN
MANUFACTURING

You need productive and powerful equipment built to last and easy to maintain with parts that are accessible. We hear you.

Driven to fulfill the needs of lawn care applicators, Steel Green Manufacturing engineered a line of zero-turn sprayer-spreader machines. Steel Green Manufacturing is committed to building equipment that not only meets your needs but exceeds your expectations.

SG36

- 21 HP Engine
- Holds up to 30 gallons of liquid and 225lbs granular product
- 125lbs hopper capacity
- Up to 25' variable spread width
- Smaller, compact size

SG42

- Holds up to 30 gallons of liquid and 225lbs granular product
- 125lbs hopper capacity
- Up to 25' variable spread width
- Allows for attachments of larger models with more compact size

SG46

- 21 HP Engine
- 22" rear wheels
- Holds up to 30 gallons of liquid and 325lbs granular product
- 225lbs hopper capacity
- Up to 25' variable spread width

SG52

- 21 HP Engine
- 22" rear wheels
- Holds up to 30 gallons of liquid and 325lbs granular product
- 225lbs hopper capacity
- Up to 25' variable spread width

SG SNOWPLOW

- Compatible with all models
- With SG52, provides 60 gallons of liquid capacity and holds up to 7 bags of granular salt
- 52" plow with all-stainless steel attachment

ATTACHMENTS

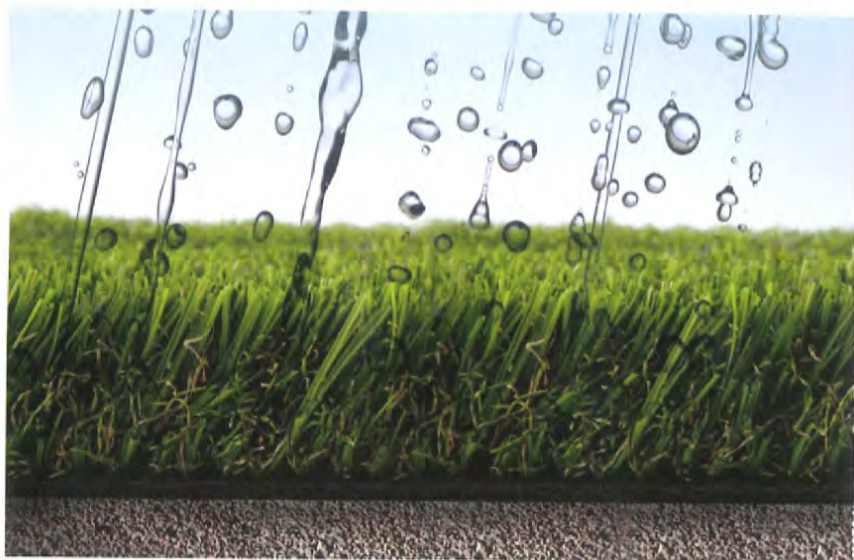

- Foam markers & makers
- Foam marker wiring harness
- Foamer rocker switch
- Wheels and bearings
- Tanks and boxes
- Spray accessories

Additional products and options are available. Contact your REAMS representative for more information.

EASYTURF[®] A FieldTurf Company

You may be surprised to hear about artificial turf in the Midwest - however, there are many applications for it here. And with EasyTurf, you know you're getting a high quality product. EasyTurf's UltimateGrass products have a proprietary, 100% permeable, non-absorbent backing. EasyTurf's backing drains 10 times faster than natural grass and better than any other synthetic turf surface available. Other turf surfaces can't effectively drain which can quickly leads to bacteria buildup and odor.

DOG RUNS

EasyTurf's artificial grass for pets contains innovative drainage capabilities, along with its realistic look and feel. Because of its artificial grass durability, EasyTurf has proven to stand up to the most challenging of pets and its low maintenance features make it easy to keep a beautiful, problem-free lawn last all year!

PUTTING GREENS

EasyTurf's putting greens deliver an authentic look and feel, giving you a true golfing experience right at home. EasyTurf is the highest quality provider of professional-grade backyard synthetic home putting greens, providing unparalleled realism in terms of surface quality and aesthetics.

PLAYGROUNDS

EasyTurf's artificial grass provides a surface that is safer, cleaner, and more comfortable than any other synthetic turf out there. It also greatly reduces threats from grass allergies, insects and unwanted pests. It has met fall height requirement tests for up to 12 feet, and is extremely durable yet non-abrasive.

HARD TO IRRIGATE AREAS

Around pools, hardscaped areas, and roof tops can be difficult places to irrigate and grass can be hard to maintain and keep green. These are areas where artificial turf may be a good option. Installation is easy and can save you a lot of work down the line.

Additional products and options are available. Contact your REAMS representative for more information.

- Complete with a controller, three valves and six zinc impact heads on zinc spikes
- Programmable, automated system runs for days or weeks unattended
- Requires no power source.

ERO79116

MINITRENCHER'S GEORIPPER

Say goodbye to traditional shovels and trenchers and experience the increased efficiency of MiniTrencher's GeoRipper. The GeoRipper is a portable, commercial handheld trencher that can be used alone or in conjunction with an EZ Kart. All GeoRippers are built with powerful two or four stroke engines by a brand you can trust, Makita.

- **INNOVATIVE:** SLR muffler recycles un-burned fuel vapor for up to 15% improved fuel consumption.
- **RELIABLE:** Start capacitor with start support function results in less pull start force.
- **CONVENIENT:** On-Off-Choke operation is on a single lever for operator convenience.
- **HIGH PERFORMER:** Five stage filtration system with advanced directional air flow leads to better engine performance.
